i haven't written
much lately. not much
has happened lately.
I'm getting much
better at alchemy, i
can make greater
explsion and heal
potions with much
less diffculty.
Haven't seen you
around much... mabye
you went on a long
fishing trip.. who
knows..  Anakha
1/19 I have spent
time in Britain selling
to all sorts of strange
people.  Some will take
my stool and others
will look over my
wares and buy 10 or
20 pies.  Tis a slow
business, but many
people seem to like
what I do.  It is
wonderful meeting
some of the people,
like Stryker, who gave
me 100 gold for being
nice to him.  He was
nice to me! OM

I went hunting today.
Zap and I went
hunting for monsters
and animals near the
newly built band mage

guild tower.... it is a
magnificent tower, i
will have to show you
it some time....  i
fought an ettin, an orc
lord, a corpser, and a
few grizzly bears.  I
have also started
working on my
magery more.  I hope
to be as good as
Winmere some day.
